

So much has happened since our last newsletter!

During March, DASP Music students were involved in at least six different performances; from festivals, to fundraising concerts to masterclasses.

Our main focus for this term has been preparing for our Summer concert in July, however there is always more being planned, so read on to find out what else is in store!

Weymouth Music Festival

On 4th March, Training Windband, Brass Ensemble and DASP Youth Orchestra all took part in the annual Weymouth Music Festival at Budmouth College.

The adjudicators made some encouraging comments to the young performers and it was lovely for them to have the chance to perform to a large audience. It was also great to be able to hear some local adult groups perform at the same time, such as the Weymouth Concert Brass. Well done to all who took part.

DASP Musical Theatre Workshop

Monday 19th March saw the Weymouth Pavilion taken over by over 100 students from the three DASP middle schools and THS, to take part in an exclusive musical theatre workshop. Students had prepared pieces in advance and during the workshop they were able to work on adding movement, characterisation and other performance attributes to the songs.

The workshop was run by four professionals who all work in London's West End.

The workshop leaders were fun and encouraging and really inspired our students to rise to the occasion.

During the evening, family and friends were invited to watch a

showcase of the day's work, which also included performances by the four professionals.

The day was made possible through funding from the national singing strategy. It was a fantastic day and one which many students will remember for a long time to come.

Year 4 Singing Concerts

On 15th and 16th March, over 400 children from across the DASP first schools came together to perform at the annual DASP Year 4 Singing Concerts held at St Osmund's sports hall. Mrs Trevorrow had run workshops at

each school to prepare some large group pieces which the children came together to perform on the day. These included 'Lean on me', 'Zum Gali Gali' and 'Something Inside So Strong' – all sung in two part harmony.

In addition, each school prepared their own individual performance. These ranged from 'Ain't no Mountain High Enough', to 'You Raise Me Up' to a special 'mash-up' created especially for the performance.

Well done to all who took part and thank you to all of the staff involved.

Julia's House Fundraising Concert

On Sunday 19th March, Stringalings, Flute Choir, Uke Troupe, Harmony, Classics and various small groups and soloists took part in a fundraising concert for Julia's House at the Dorchester Corn Exchange. The Mayor was in attendance and was greatly impressed by the wealth of talent on show by the DASP students. Over £600 was raised for the Julia's House Hospice charity. Well done to all involved!

NEW!!!

DASP Young Musician of the Year Festival

We are excited to announce that on Saturday 25th November, we will be holding our first ever DASP Young Musician of the Year Festival. The festival will be aimed at students of approximately grade 4 standard and above and will provide performance and feedback opportunities for students in a friendly and supportive environment.

More information will be available shortly and we will be asking students to apply early in the new academic year. Watch this space!

DASP Jazz Band Gig

The DASP Jazz band are excitedly preparing for their first proper 'gig' at Tom Brown's pub in Dorchester at 5pm on Friday 30th June. All are welcome to come along and support the band. This band has been a huge success since its formation two years ago, and the students have gained in confidence at soloing and playing in a jazz style. We are really keen to recruit new players to this band in September to fill the gaps that may be left by students moving on, in order to allow this group to continue in the future. Anyone from about grade 1 standard and above is welcome to join!

NEW Middle Schools' Choir

From September, we are launching a new Middle Schools' Choir to replace the Harmony and Classics choirs that currently operate. Whilst these choirs have been very successful over the years, financial pressures mean that we need to slim down provision slightly and combine groups to make them more viable.

We are looking forward to Mrs Brind starting this new choir which will sing a mixture of pop and classical pieces with a focus on harmony singing.

The group will meet on a Friday at 4-5pm at The Thomas Hardye School. Please contact us now if you are interested in your son/daughter taking part!

Thank you!

We are grateful to all of our supporters who have contributed to DASP Music financially or through giving their time over the past year. Many of the opportunities that we are able to provide to the young people in Dorchester and surrounding area would not be possible without your support.

If you think you might be interested in supporting us financially or through volunteering for us in the future, please get in touch. We are always on the look-out for people/businesses to sponsor events or volunteers to help with our ensembles.

A huge thank you also to our young DASP Music Mentors. These students attend ensembles every week to help to support younger students. If you think you might like to become a DASP Music Mentor in the future, please get in touch!

Instruments for hire

DASP Music now has a small selection of instruments available to hire at very competitive prices. These instruments have been donated to DASP Music and then money raised through fundraising has been used to service the instruments to a playable standard.

If you are interested in hiring an instrument from us, please get in touch.

If you have old instruments lurking at home that you think might be better used by students within DASP Music, we would be very pleased to make use of them. Please spread the word!

Instrumental/Vocal Lessons in September

The final application deadline for students wishing to start instrumental/vocal lessons in September is Friday 30th June. Applications received after this date will probably need to wait until after October half term to start lessons.

We are just dealing with allocations of lessons for September at the moment. If you have applied but not heard anything from us yet, you will do within the next couple of weeks. Those students who currently have lessons, but who are moving schools will also find out who their new teacher is within the next couple of weeks.
