A long time ago.

A mammoth two hundred and ninety two

He walked the earth when dinosaurs ruled  
the world  
A long time ago.

## Pre-chorus

Iguanodon, Triceratops and Ichthyosaur  
Tyrannosaurus Rex was there too,  
Stegosaurus, Allosaurus, Plesiosaur  
Unbelievable, but it's true  
Cos we've got

Dippy the dinosaur,  
With fossils the truth is unfurled,  
Dippy the dinosaur,  
The wonders of the natural world!
